

Mediterranean Green Market

QUALITY & SUSTAINABILITY

A large, leafy tree with some autumn-colored leaves stands in a grassy field. The sun is low on the horizon, creating a warm glow and lens flare through the branches. The sky is clear and blue.

About us

MEDITERRANEAN GREEN MARKET is a commercial platform promoted by spanish **small farmers and cooperatives** to distribute our products all over the world. We are committed to quality products and sustainability.

We bring the **best product selection**, direct from the producer to the market. We guarantee the most efficient service to our clients: from product development, quality control, logistic, competitive prices, safety and certification protocols required for each market.
