# About us

**MEDITERRANEAN GREEN MARKET** is a commercial platform promoted by small Spanish farmers and cooperatives to distribute our products throughout the world. We are committed to quality products and sustainability.

We bring the *best selection of products*, direct from the producer to the market. We guarantee the most efficient service to our clients: from product development, quality control, logistics, competitive prices, security and certification protocols required for each market. We promote the *Mediterranean Diet.*

# Why MGM?

- Chosen as **“the best distribution platform in Spain”** by LuxLife-Food & Drinks Awards, 2024.
- We have many years of **experience** producing quality products.
- We combine **tradition with innovation**.
- We group our goods in our facilities to **optimize logistics**.
- We **support our customers** with promotions and competitive prices.
